

# DEX ROMWEBER DUO

*"Dex Romweber was and is a huge influence on my music. I owned all of his records as a teenager, and was thrilled at the fact that we were able to play together recently on tour. His attitude towards music is remarkable. His songwriting, along with his love of classic American music from the south, be it rockabilly, country or R&B, is one of the best kept secrets of the rock n roll underground." —*

**Dex Romweber** is nothing less than an icon of the American music underground. The former frontman for the world famous psycho-surf-rockabilly-garage-punk combo **Flat Duo Jets**, released his first of nine albums in 1990 to rave reviews worldwide. He starred alongside R.E.M. and The B-52s in the 1987 cult classic film "Athens, GA Inside Out". His first national tour in 1990 was as opening act for **The Cramps**. He was showcased on MTV's The Cutting Edge and 120 Minutes, starred in the Flat Duo Jets videos "Wild Wild Lover" and "Radioactive Man", made a stunning performance on Late Night with David Letterman, and has shared the stage with dozens of other rock icons including **Iggy Pop** and the **White Stripes**.

The Dex Romweber Duo also features Dex's celebrated sibling **Sara Romweber** (Mitch Easter, Lets Active, Snatches of Pink) on drums. Together the two have been performing electrifying concerts all over the US, including touring with **Cat Power, Neko Case, Th' Legendary Shack Shakers, Southern Culture On The Skids** and the **Squirrel Nut Zippers**.

The Dex Romweber Duo's first Bloodshot album, Ruins of Berlin, features vocal duets between Dex and **Cat Power, Neko Case** and **Exene Cervenka** and a guitar duet with **Rick Miller** of **Southern Culture On The Skids**. It was produced by John Plymale (**Meat Puppets, Squirrel Nut Zippers, Corrosion Of Conformity**).

"The Dex Romweber Duo specializes in music plucked with the soul and faith of a Sunday morning revival, a fluid mix of blues, surf-rock, rockabilly, proto-rock & roll and garage." —**Riverfront Times**
